#### RECOMMENDATION

THAT the Community Grants Committee's recommendations for 2022 Arts, Culture & Heritage and Community & Social Services grants allocations, attached as **Appendix A** to the June 9, 2022 report titled 2022 Community Grants Recommendations: Arts, Culture & Heritage and Community & Social Services Grants, be approved.

### 1.0 Purpose

To obtain Council approval for the 2022 Community Grants allocations for operational and project funding for Arts, Culture & Heritage and Community & Social Services grants as recommended by the Community Grants Committee.

## 2.0 Legislation/Bylaw/Policy

The Community Grants Program's policies are outlined in the District of West Vancouver's (District) 2017 Community Grants Program Policy Framework (2017 Framework) (**Appendix B**). The current recommendations for the Arts, Culture & Heritage and Community Services & Social Services grants were reviewed by the eight members of the Community Grants Committee (CGC) and evaluated based on this 2017 Framework.

The District's 2017 Blueprint for Social Responsibility & Change (**Appendix C**) identifies social action plans and strategies to advance community connections and well-being in West Vancouver through innovative leadership, sustainability of social responsibility and inclusion. This ensures that resources distributed through the District are meaningful and relevant to residents of all ages in West Vancouver.

## 3.0 Council Strategic Objective(s)/Official Community Plan

#### Council Strategic Plan

Council's Strategic Objectives support the pursuit of excellence in community engagement, consultation and communication, and leveraging technology as set out under Strategic Goal 5, Objective 3.

#### Official Community Plan

The District's 2018 Official Community Plan supports demographic and cultural diversity as well as enhancing public facilities and spaces through the following policies:

- Policy 2.8.1: Anticipate and meet community needs as demographic changes occur, through short and long-term strategies for the delivery of services.
- Policy 2.8.7: Support the delivery of programs, services, events and activities that celebrate the full spectrum of cultural and ethnic diversity of the District and promote intercultural and intergenerational connections.
- Policy 2.8.15: Support an expanded variety of community activities ranging from community-wide events and smaller private events through policy, facilities and grants, as appropriate.

## 4.0 Financial Implications

Funding for the District's Community Grants Program is included in the District's annual operating budget. The 2022 base budget for the Community Grants Program was \$262,180. A one-time increase of \$81,500 was added to this amount through unallocated funds from the COVID-19 Impact Assistance Grant for Not-for-Profit Organizations and approved by Council on October 18, 2021, bringing the total budget for 2022 to \$343,680. The Community Grants Committee recommends a total of \$310,370 in funding leaving a balance of \$33,310 remaining in the Community Grants Program budget.

The remaining \$33,310 will be allocated through a second round of grant opportunities in summer 2022 and will be open to Arts, Culture & Heritage and Community & Social Services organizations.

## 5.0 Background

#### 5.1 Previous Decisions

Council, at its May 31, 2021 meeting, passed the following motion:

Community & Social Services Grants

Community Grants Recommendations: Arts, Culture & Heritage and Community & Social Services Grants, be approved.

Council, at its October 18, 2021 meeting, passed the following motions *THAT* 

- the Community Grants Committee's recommendations for allocations of the COVID-19 Impact Assistance Grant for Not-for-Profit Organizations, attached as Appendix A to the September 20, 2021 report titled COVID-19 Impact Assistance Grant for Not-for-Profit Organizations: Funding Recommendations, be approved;
- 2) the Community Grants Committee's recommendations that the COVID-19 Impact Assistance Grant for Not-for-Profit Organizations be allocated to the West Vancouver Chamber of Commerce and to the West Vancouver Legion, as outlined in Appendix B to the September 20, 2021 report titled COVID-19 Impact Assistance Grant for Not-for-Profit Organizations: Funding Recommendations, be approved; and
- 3) unallocated funds from the original \$300,000 COVID-19 Impact Assistance Grant for Not-for-Profit Organizations' budget be carried forward and added to the 2022 Community Grants Program budget in order to provide a one-time increase to funding for 2022.

The unallocated funds referred to in the above-noted motion amounted to \$81,500.

#### 5.2 History

The District's Community Grants Program provides funding to not-for-profit community organizations serving the needs of West Vancouver residents. The grants support programs and services that reduce social, economic, or physical disadvantage; improve quality of life; support and promote arts, culture & heritage initiatives, community & social services initiatives, and community vitality & environment initiatives; and are based on a full year of funding. Youth grants are supported through the Local to Global Youth Initiatives grant stream with no application deadline, and once all the budget has been allocated for the fiscal year, no additional applications are considered.

Funding of not-for-profit community organizations through the Community Grants Program has the following objectives:

- to support diverse not-for-profit organizations that respond to a broad spectrum of community needs and interests
- to provide local government sponsorship for community organizations to better attract funding from senior levels of government, donors, and foundations
- to encourage civic engagement, service, and volunteerism

### 6.0 Analysis

#### 6.1 Discussion

The total budget for the 2022 Community Grants Program is \$343,680. The current recommendations, commitments, and remaining budget for a fall 2022 allocation are shown as follows:

Community & Social Services	\$225,590
Arts, Culture & Heritage	\$ 81,500
Local to Global Youth Initiatives	\$ 3,280
TOTAL	\$310,370
Balance to allocate in fall 2022	\$33,310

Recommendations for the 2022 allocations of Arts, Culture & Heritage (ACH) and Community Services & Social Services (CSSS) grants involved the following review process:

- a review of the accountability form for organizations partway through their funding cycles and CGC recommendations for repeat funding
- assessment of remaining funding and evaluation of new applications
- CGC recommendations for new grants and new funding cycles

The funds budgeted for Local to Global Youth Initiatives are reviewed by the CGC throughout the year.

The CGC formed two subcommittees to conduct a detailed review of the applications. The reviews were based on an evaluation of how applicants met the stated criteria in the 2017 Framework.

## Recommendations for Organizations in Existing Funding Cycles

ACH and CSSS grants may be recommended for one-year or three-year funding cycles. A three-year funding cycle provides consistent and stable funding and reduces administrative costs for both the applicants and the District as organizations only need to submit a full application every three years. Three-year funding is subject to an annual review conducted by the CGC, availability of District funds, and Council approval. Occasionally, organizations may be recommended for a two-year funding cycle.

In the ACH grant category, there were 25 applications for funding from 18 organizations.

In the CSSS grant category, there were 48 applications for funding from 36 organizations.

From: Arleta Beckett, Community Services & Community Development Manager; and

Doti Niedermayer, Senior Manager, Cultural Services

Subject: 2022 Community Grants Recommendations: Arts, Culture & Heritage and

Community & Social Services Grants

Applications were received from organizations for previously funded programs with funding cycles that end in 2022; and from organizations that had not previously been funded or that were submitting funding requests for new initiatives. There was a slight increase in the number of applications received in 2022 over 2021. The CGC reviewed all these applications in detail based on the following key questions:

• Did the application meet the evaluation criteria as set out in the 2017 Framework?

 Did the application respond to an issue or need that warrants support in 2022?

**Appendix A** provides a list of 2022 grant requests and amounts recommended. **Appendix D** provides a list of grant requests that are not recommended for funding.

In addition to the ACH and CSSS grant budgets, the Community Grants Program budget for 2022 also includes \$3,280 for Local to Global Youth Initiative grants established to empower young people to impact their communities. These grants recognize youth who act as ambassadors of West Vancouver or require assistance to initiate projects of interest to the community. As per the 2017 Framework, applications for funding from the Local to Global Youth Initiatives are reviewed by the CGC throughout the year and approved by the Director of Parks, Culture & Community Services.

#### 6.2 Sustainability

The Community Grants Program provides financial assistance to not-forprofit organizations to address social issues and/or promote community engagement and development to affect positive change for West Vancouver individuals and for the community at large. This assistance promotes a healthy, caring community where residents have access to services that maintain or improve their quality of life; and promotes full participation in community life.

6.3 Public Engagement and Outreach

The CGC was established by Council in March 2009 to review and make recommendations on all community grant requests.

6.4 Other Communication, Consultation, and Research

Information about the Community Grants Program is posted on the District's website and in other Municipal publications; and is promoted through various newsletters and media channels.

## District Of West Vancouver Community Grants Program Policy Framework (2017)

#### SECTION A: DISTRICT OF WEST VANCOUVER OVERVIEW

#### West Vancouver Vision

West Vancouver will inspire excellence and lead by example. Collaborative government and a spirit of personal civic commitment will power the innovations that shape our shared future. The strength of this relationship will secure our treasured quality of life and will be the measure of our success as a community.

#### **West Vancouver Mission**

We champion the opportunities that demonstrate our deep commitment to:

- foster a sense of shared and individual responsibility for community well-being, inclusion, social unity and respect for our full heritage;
- protect, restore and defend our natural environment; legislate efforts to effect positive change;
- encourage diversity in housing, land use and innovative infrastructure within our distinct neighborhoods to meet changing needs;
- enrich community vitality, health and understanding through integrating arts, learning, inter-cultural experiences and physical activity into our daily lives; and
- maximize the potential of our economic base and services, and balance the effective, long-term use of resources for current and future generations.

## **West Vancouver Strategic Objectives**

Mayor and Council have determined eight priorities for the District to focus on throughout their term. For 2014 to 2018, these priorities are:

- Ambleside: Waterfront and town centre;
- built form, housing and neighbourhood character;
- fiscal sustainability and municipal services;
- natural environment and climate action;
- Official Community Plan review;
- arts, culture and heritage;
- Police services and Municipal Hall project (formerly the Public Safety Building); and
- traffic and transportation.

The District of West Vancouver, through Council, community and staff, develops strategies and priorities for implementing strategic objectives that align with the District's vision and mission. Implementation may include partnerships with not-for-profit organizations doing work in the community and for the benefit of West Vancouver residents.

#### SECTION B: COMMUNITY GRANTS PROGRAM OVERVIEW

## 1. West Vancouver Community Grants Program

The District established the Community Grants Program to support not-for-profit organizations that deliver important social, arts, cultural and community services in, or for citizens of West Vancouver. Through the Community Grants Program, individuals and groups of West Vancouver youth may apply for financial support through the Local to Global Youth Initiatives Fund.

The Community Grants Program supports the District's commitment to civic responsibility, community life and economic stability. Council appoints citizen volunteers to the Community Grants Committee (CGC) to provide independence in the adjudication process for Community Grants. Guided by the Blueprint for Social Responsibility and Change, CGC members evaluate applications and make recommendations to Council on requests from not-for-profit organizations for financial support to do their work in the community. Local to Global Youth Initiatives Fund grant applications are reviewed by the CGC, with recommendations forwarded to the Director of Parks, Culture & Community Services.

## 2. Community Grants Program Purpose

The Community Grants Program benefits residents of West Vancouver by:

- supporting diverse not-for-profit organizations that respond to a broad spectrum of community needs and interests;
- providing local government sponsorship for community organizations to better attract funding from senior levels of government, donors and foundations; and
- encouraging civic engagement, service and volunteerism.

## 3. Community Grants Program Funds

There are four distinct funds within the Community Grants Program:

- a) Local to Global Youth Initiatives
- b) Arts, Culture & Heritage
- c) Community & Social Services
- d) Community Vitality & Environment

Council determines the budget for the Community Grants Program through the District of West Vancouver's annual budget process.

By investing in individuals, as well as grassroots community projects, Local to Global Youth Initiatives Fund grants empower young people to impact their communities. They recognize individual youth who act as ambassadors of West Vancouver by participating in competitions, tournaments, competitive festivals or civic events that are regional, provincial, national or international in scope or nature and those groups who wish to create these types of opportunities in West Vancouver. The purpose of grants from this fund is to provide one-time support for participation and event costs.

Arts, Culture & Heritage grants support the development of the cultural sector in West Vancouver for all categories of arts.

Community & Social Services grants support organizations working in collaboration to address and find solutions to community social issues that impact residents. This includes meeting the needs of vulnerable populations, respecting social diversity and promoting social integration and inclusion.

Community Vitality & Environment grants support organizations that may be working in collaboration with the District of West Vancouver on one-time projects to improve or enhance sense of community, green and healthy environments and engagement of West Vancouver residents through community initiatives.

## 4. Types of Community Grants

Operating grants support organizations for services provided on an ongoing basis, or to organizations that provide a single service, whether ongoing throughout the year or recurring annually. Only applications to the Arts, Culture & Heritage fund and the Community & Social Services fund are eligible for operating grants. Operating grants may be given on a multi-year basis. The intent of multi-year funding is to provide the organization with some certainty for planning, budgeting and attracting other sources of funding. Multi-year funding is subject to performance and may be withdrawn if the applicant does not perform or fails to provide documents to evidence performance.

Project grants support organizations to implement specific programs or projects with an identifiable end date. Applications to all fund categories (Arts, Culture & Heritage; Community & Social Services; Community Vitality & Environment; and Local to Global Youth Initiatives) are eligible for project grants. Project grants are generally not multi-year in nature.

Some organizations apply for funding for a variety of distinctly different services. In such cases, the CGC may consider multiple applications for each distinct service. An organization submitting multiple applications must be able to distinguish and differentiate all the required elements for the CGC to evaluate their applications.

With the exception of grant applications to the Local to Global Youth Initiatives Fund, the Community Grants Program does not recommend grants to individuals or for expenses incurred prior to the application date.

## SECTION C: APPLICANT ELIGIBLITY AND GRANT ADJUDICATION PROCESS

## 1. Eligibility

Organizations seeking grants must meet specific eligibility criteria and provide complete information set out in the application form. During the grant adjudication process, other information may be requested so the CGC may fully consider the application.

With the exception of applications for the Local to Global Youth Initiatives fund, all applicants must be not-for-profit organizations in good standing and currently incorporated as a "society" under the BC Societies Act.

With the exception of grant applications made to the Local to Global Youth Initiatives fund, the annual deadline for all grant submissions is **January 31**.

The following is a list of types of applicants or purposes which **THE COMMUNITY GRANTS PROGRAM DOES NOT FUND**:

- individuals or businesses
- fundraising projects or programs
- organizations that raise money to provide flow-through funds or grants to other organizations
- endowment funds, capital costs or start-up costs
- organizations without any operating history
- 100% of any operating or project costs
- debt retirement or reserves; mortgage pay-downs
- expenses incurred prior to the application date
- activities and events of religious, ethnic, cultural or political organizations that primarily serve their membership and/or their direct purposes
- groups that disparage others
- medical treatment or rehabilitation programs that are funded by the Medical Services Plan of BC
- organizations that do not demonstrate financial need
- services provided by or contracted by other levels of government.

## 2. Grant Adjudication Process

Applications for grants from the Local to Global Youth Initiatives fund are received, adjudicated and funded throughout the year; the CGC makes recommendations to the Director of Parks, Culture & Community Services for approval of these grants.

Applications to the Arts, Culture & Heritage; Community & Social Services; and Community Vitality & Environment funds are received and adjudicated once annually. The deadline for submission is **January 31**. The CGC makes recommendations to Council for funding, which takes place once in a calendar year and ties into the municipal budget process. Grant approvals are generally determined by June of each year.

In adjudicating applications, the CGC may take into consideration other benefits received by the applicant from the District, such as use of municipal facilities, receipt of services without charge or below ordinary cost and benefits derived through Permissive Tax Exemptions.

# BLUEPRINT FOR SOCIAL RESPONSIBILITY & CHANGE

FRAMEWORK FOR A SOCIAL ACTION PLAN FOR WEST VANCOUVER

District of West Vancouver Community Grants Committee (2017)

VISION | ADVANCE COMMUNITY CONNECTIONS AND WELL-BEING IN WEST VANCOUVER THROUGH INNOVATIVE LEADERSHIP, SUSTAINABILITY OF SOCIAL RESPONSIBILITY, AND INCLUSION

## **GUIDING PRINCIPLES**

First introduced in 2008, the West Vancouver Blueprint for Social Responsibility and Change is a long-range strategic planning tool to address issues fundamental to the health and well-being of a vibrant community, such as equity, health, quality of life and social inclusion. The Blueprint helps to guide decisions and resource allocations on social matters to help create positive community change. Through this, many successful collaborative initiatives have advanced connections and well-being in West Vancouver.

The 2017 Blueprint for Social Responsibility and Change contains revised strategies that reflect current community needs and the District's commitment to ensuring that social issues are considered as an integral part of long-term planning and community sustainability.

- Imbed the importance of community social services in the District's culture
- Anticipate and meet community needs as demographic changes occur, through short and long term strategies for the delivery of social services
- Respond to and identify new directions and challenges through a social services delivery model that is both innovative and flexible
- Ensure a purposeful and accountable response to community needs by measuring, evaluating and monitoring progress
- Embrace the values of diversity, access, social inclusion, safety and adaptability in all District initiatives
- Proactively address social challenges by taking actions that ensure equal treatment of all citizens

BLUEPRINT FOR SOCIAL RESPONSIBILITY & CHANGE

# RECOGNIZE THE DELIVERY OF COMMUNITY SOCIAL SERVICES AS A VITAL MUNICIPAL PRIORITY

#### STRATEGY 1

Apply a 'social' lens to development and policy planning to ensure that the social priorities of the community are considered in municipal planning and processes.

#### STRATEGY 2

Ensure the municipal budget cycle is informed of social services needs.

#### STRATEGY 3

Provide training around awareness of barriers and accessibility for District staff.

#### STRATEGY 4

Continue support of recreation and leisure opportunities for the marginalized individuals through the District's Recreation Financial Assistance Program, and like programs available through not-for-profit organizations.

#### STRATEGY 5

Promote and support community skills-based training in intercultural competency, conflict resolution, human rights and anti-racism.

**RECONCILIATION** | We call upon federal, provincial, territorial, and municipal governments to provide education to public servants on the history of Aboriginal peoples, including the history and legacy of residential schools, the United Nations Declaration on the Rights of Indigenous Peoples, Treaties and Aboriginal rights, Indigenous law, and Aboriginal–Crown relations. This will require skills based training in intercultural competency, conflict resolution, human rights, and anti-racism.
