YAGHA is a federally registered organization recognized for youth-led health advocacy. We have recently been approved to present to the North Vancouver City Council on this identical policy area, underscoring the regional urgency of this topic.

Purpose of Presentation (Brief Summary): As advocates based on the North Shore, we recognize that West Vancouver faces unique geographical isolation that contributes to systemic health disparities across all age groups, especially seniors. We aim to present concise, actionable policy recommendations for municipal support and infrastructure amendments that directly address these access challenges. Our insights are derived from a professional interview series with health experts (UBC, UQ, etc.) and will articulate how the District can better advocate for and support its residents regarding regional healthcare facilities.

Will you be providing any of the following? (Check all that apply):

- PowerPoint presentation (if so, the digital file must be received by Legislative Services no later than noon on the Monday 14 days prior to the delegation date)
- Information for publication in the Council meeting agenda (if so, the digital file or one original copy must be received by Legislative Services no later than noon on the Monday 14 days prior to the delegation date)
