

2025 West Vancouver Student Video Contest – Official Rules and Regulations

CONTEST THEME AND PURPOSE

The theme of the 2025 Student Video Contest is **Reduce and Reuse**. The purpose of the contest is to get West Vancouver students and the broader community to think about the benefits of reducing waste and reusing items at home, at school, and in the community and the importance of incorporating these practices into everyday life. Focusing on reducing waste and reusing items over recycling and disposal, creates less litter, reduces collection costs, and decreases the resources needed to produce items in the first place.
