The Official Community Plan (OCP) is the District's overarching planning document, with multiple policies and objectives intended to meet present community needs and guide West Vancouver's future development. 6.0 Analysis

6.1 Discussion

The Planning Committee is an advisory body comprised of 9 voting members with various backgrounds in community planning, urban design, development, and law. In 2024, over its first three meetings, the Planning Committee considered major community planning policy initiatives and reviewed commercial, mixed-use, and multifamily development within the community in accordance with the Terms of Reference **Attachment A**. A summary of the meetings is as follows:

September 25, 2024: The Planning Committee were introduced to the framework for the Ambleside Local Area Plan (LAP).

October 23, 2024: The Planning Committee discussed project economics due to concern that the Ambleside LAP framework will not deliver intended outcomes.

November 20, 2024: The Planning Committee reviewed and provided comments on a development proposal for a 16-storey, 57-unit apartment building at 3389 Chippendale Road and on an OCP Amendment, Rezoning and Development Permit for the proposed Woodcrest Townhomes.

Consistent with the Planning Committee's Terms of Reference, the Annual Work Plan provides flexibility to be responsive to the timelines associated

with development projects and major planning initiatives. As such, the 2025 Annual Work Plan will continue to consist of the review of both major development applications and planning initiatives as directed by Council, staff, and as influenced by the Committee's identified priorities.

6.2 Climate Change & Sustainability

Members lend their experience to support the implementation of the OCP's long term policies related to planning for a more sustainable and resilient community.
