

DISTRICT OF WEST VANCOUVER
750 17TH STREET, WEST VANCOUVER BC V7V 3T3

COUNCIL REPORT

Date:	July 7, 2025
From:	Christine Shi, Senior Manager, Accounting & Revenue Services
Subject:	Proposed Fees and Charges Bylaw No. 5383, 2025
File:	08.1610.20/5383.2025

RECOMMENDATION

THAT proposed “Fees and Charges Bylaw No. 5383, 2025” by read a first, second and third time.

1.0 Purpose

This report summarizes the annual review of fees and charges including the establishment of new fee structures, revision of existing fees and elimination of fees that are no longer required.

2.0 Executive Summary

This report addresses the outcomes of a comprehensive review of municipal fees and charges in the District of West Vancouver (“District”), including changes, additions and deletion of fees charged by the municipality. Fees and charges proposed in Fees and Charges Bylaw No. 5383, 2025 reflect adjustments related to the cost of services provided by the District, changes in the nature of certain services (e.g. creation of new options or elimination of obsolete items) and other factors that impact municipal services.

Most of the updates proposed in the new bylaw relate to inflationary adjustments or benchmarking to neighbouring municipalities. Other increases are proposed to realign fees to the actual costs of service provision, either moving from the partial cost recovery to full cost recovery or catching up multi-year increases if the fees were not reevaluated annually.

The District continues to explore new revenue sources to support programs and initiatives. Three new fees have been introduced: a Boulevard Design Review and Revision Fee, a Boulevard Encroachment Application Fee, and a daily rental rate for weddings or private events at the Gleneagles Clubhouse. In addition, the destination parks pay parking program, implemented in February 2024, is being expanded to include Cypress Falls Park and Seaview Walk Park.

3.0 Legislation

Section 194 of the *Community Charter* enables Council, by bylaw, to impose a fee in respect of:

- a) all or part of a service of the municipality,
- b) the use of municipal property, or
- c) the exercise of authority to regulate, prohibit or impose requirements.

4.0 Official Community Plan

Review of the fees and charges is an essential element of the overall financial planning and budgeting process implemented by the District. This process has been conducted in alignment with the Official Community Plan (OCP) as outlined in section 3.1 – financial planning process:

Section 477 of the Act requires that when a proposed OCP is prepared it must be considered in conjunction with the municipality’s financial plan. Following adoption, the District’s annual planning and budget process would then be conducted in alignment with this plan.

Implementation of proposed Fees and Charges Bylaw No. 5383, 2025 enables the funding of essential services and operational priorities identified in the Official Community Plan, providing fair and equitable allocation of costs to service users.

5.0 Financial Implications

Based on proposed changes to the fees and charges for 2026, it is calculated that there will be incremental revenue of approximately \$205 thousand for the General Fund (excluding Golf and Cemetery). The additional revenue is calculated from the 2025 budget plus an estimate for anticipated revenues from the changes to the existing fees and the new proposed fees.

Schedule	Existing Fees	New Fees	Total
A – Development & Permits	\$96,443	\$12,675	\$109,118
B – General Administration & Finance	\$3,000		\$3,000
C – Licensing	\$1,750		\$1,750
D – Parks, Culture & Community Services	\$82,480	\$5,790	\$88,270
F – Protective Services	\$2,950		\$2,950
Total	\$186,623	\$18,465	\$205,088

6.0 Background

Fees and charges are reviewed and established annually.

6.1 Previous Decisions

There have been several amendments to the current bylaw, Fees and Charges Bylaw No. 5334, 2024 which was adopted by Council on July 22, 2024 and enacted on January 1, 2025. These amendments have been incorporated into the proposed “Fees and Charges Bylaw No. 5383, 2025”.

Previous amendments to Bylaw No. 5334, 2024:

- Fees and Charges Bylaw No. 5334, 2024, Amendment Bylaw No. 5378, 2025 – Adopted April 14, 2025
- Fees and Charges Bylaw No. 5334, 2024, Amendment Bylaw No. 5376, 2025 – Adopted March 10, 2025
- Fees and Charges Bylaw No. 5334, 2024, Amendment Bylaw No. 5371, 2025 – Adopted February 10, 2025
- Fees and Charges Bylaw No. 5334, 2024, Amendment Bylaw No. 5366, 2024 – Adopted December 9, 2024
- Fees and Charges Bylaw No. 5334, 2024, Amendment Bylaw No. 5360, 2024 – Adopted November 25, 2024
- Fees and Charges Bylaw No. 5334, 2024, Amendment Bylaw No. 5364, 2024 – Adopted October 28, 2024

7.0 Analysis

7.1 Discussion

Fees and charges are the largest non-taxation funding source for services provided by the District of West Vancouver. User fees are established based on the principal of full cost recovery with consideration to the users’ ability to pay, program participation objectives, special consideration for youth and seniors and competitive rates in neighbouring municipalities.

The following graph illustrates the fees and charges collected over the past five years, along with the budgeted amount for 2025. In 2020, during the COVID-19 pandemic, Provincial Health Orders (PHOs) enforcing social distancing and gathering restrictions significantly impacted District operations – particularly in community services and cultural programming. As a result, fee revenue dropped sharply compared to 2019. In 2021, as PHOs were gradually lifted, facilities reopened and programs resumed, leading to a revenue rebound to approximately \$16 million. The recovery continued in 2022, with fee revenue rising to \$18.5 million. From 2023 onward, fee revenue fully recovered to pre-pandemic levels, reaching nearly \$21 million.

Fees and Charges – Total Revenue

The 2025 budget for fees and charges revenue is \$20.9 million, which aligns with the actual revenue earned in 2024, adjusted for anticipated increases from changes to existing fees and the introduction of new fees. Approximately 92% or more of the total revenue is derived from services provided by three key areas: Parks, Culture & Community Services (PCCS), Planning & Development Services, and Licensing.

Fees and Charges Revenue by Service Area

In 2020, due to significant reductions in community centre and cultural programs in compliance with PHOs, PCCS fee revenue declined sharply by \$7.3 million. Beginning in 2021, the District made ongoing efforts to reopen facilities and resume programming, resulting in steady revenue growth: an increase of \$2.0 million in 2021, \$2.7 million in 2022, \$1.6 million in 2023, and a further \$0.9 million in 2024. For the 2025 budget, revenue from services and programs is projected to remain consistent with 2024 actuals.

Building permit revenue is highly sensitive to external factors such as zoning changes, provincial housing policies, and interest rates. In 2021 and early 2022, driven in part by a strong housing market and anticipated rezoning bylaw changes, the District experienced a surge in permit applications. This brought in an additional \$1.5 million in 2021, followed by a further \$0.3 million in 2022. However, this spike was a one-time event. Elevated interest rates subsequently dampened construction activity, leading to declines in permit revenues – \$6.8 million in 2023 and \$6.1 million in 2024. Reflecting these conditions, the 2025 budget for building permit revenue is set at \$6.6 million.

The proposed 2025 fee structure reflects the cost of providing services and the principle of allocating costs to users of those services. All changes to fees are detailed in Appendices A, B and C:

- **Appendix A** lists all new fees;
- **Appendix B** lists all changes to user fees;
- **Appendix C** lists all fees proposed for deletion; and
- **Appendix D** is the entire Fees and Charges Bylaw No. 5383, 2025 with schedules that have all changes incorporated.

Noteworthy additions and changes to the District's fees and charges are outlined below by each schedule in the bylaw.

Schedule A – Development & Permits

In general, the proposed fee increases in this schedule are consistent with those of other municipalities and are intended to support cost recovery. For 2025, a 2% to 3% increase is proposed for building, electrical, and plumbing permit fees to help offset rising service delivery costs due to inflation.

Pre-Application submissions require staff review and evaluation, with significant staff time dedicated to each submission – particularly for large-scale or complex projects – prior to the formal building permit application. To partially recover these costs, pre-application fees are proposed to increase by 20%.

Schedule B – General Administration & Finance

Most fees are proposed to increase by 2% to 3% to reflect inflationary cost pressures. Changes to fees for scanned paper records, mortgage listing for banks, and NSF charges are intended to align with industry standards and recover associated staff time. Significant increases are also proposed for new and renewed agreements – including foreshore leases, sub-leases, and licenses to occupy – to catch up with multi-year labour cost increases and inflationary impacts.

Schedule C – Licensing

A 2% to 3% inflationary fee increase is proposed for most fees in this schedule to offset administration costs and staff time. Exceptions include fees for commercial dog walkers, commercial parking lots, gas stations, import/export businesses, real estate and insurance services, professional services, veterinary clinics, and wholesalers. In these cases, the proposed increases are intended to align with rates in other North Shore municipalities and support cost recovery for staff time.

Schedule D – Parks, Culture & Community Services

Community Services

Overall, a 2% to 4% inflationary increase is proposed for the Community Services – Aquatic Centre/Arena/Community Centre admissions, facility rentals and field usage/field rental.

Golf Course

Market-driven fee increases ranging from 3% to 5% are proposed for Gleneagles Golf Course and Ambleside Par 3 Golf Course to offset rising materials and labour costs.

Other parks department Services

A general fee increase of 3% to 5% is proposed for other services, including weddings and events in designated parks, annual garden plot fees, cabin permits, and museum photographic images. However, a significant increase is proposed for the filming damage deposit fee, aligned with average rates currently in place across the Lower Mainland.

Schedule E – Cemetery

A 3% to 5% increase is proposed for most cemetery grave fees for residents, and a 12% to 13% increase for non-residents, reflecting rising material and labour costs. The Cemetery revenue model is based on market-driven pricing rather than strict cost recovery. Higher non-resident fees help offset costs for residents, allowing for a resident subsidy while maintaining full cost recovery overall. Additionally, a 3% to 4% inflationary increase is proposed for interment service fees.

Schedule F – Protective Services

Proposed fee increases for security false alarms and controlled substances are intended to align with Police Board rates or prevailing market rates. Changes to fire permits, fire services, and fire false alarm fees reflect inflationary adjustments and the goal of aligning with rates in neighbouring municipalities.

Schedule G – Engineering & Transportation

A 2% to 3% inflationary increase is proposed for Local Area Service charges, driveway crossing fees, and traffic and parking-related fees.

8.0 Options

8.1 Recommended Option

Proceed with first, second and third readings of proposed Fees and Charges Bylaw No. 5383, 2025 so that the District may continue to provide services on a financially sustainable basis.

8.2 Considered Options

Defer consideration of the proposed bylaw and request further information.

9.0 Conclusion

Ongoing review of fees and charges is a key element of the District's financial planning and sustainability framework, enabling accurate forecasting of the District's revenue and supporting the alignment of the fee structure with the cost of providing services. Each year, the District reviews its fees and charges to ensure that they are relevant and reasonable based on the market and the cost of providing the services. The annual review includes the establishment of new fee structures, revision of existing fees and elimination of fees no longer required.

Proposed Fees and Charges Bylaw No. 5383, 2025, reflects the impact of inflation and fee-specific cost drivers, allowing the District to provide services on a financially sustainable basis.

Refurbishment of Niche Fronts	\$262.00	
Other Language Characters (Niche Front engraving)	By Quotation	Each.
Flower Vase - Woods II including installation	By Quotation	
Disinterment Adult, Child or Infant	\$4,488.00	
Disinterment Cremated Remains	\$1,274.00	
Disinterment Columbaria	\$698.00	
Reissue fee for reissuing documentation on a right of interment	\$132.00	
Administrative fee when refunding lot or niche payment (resale fee)	Lesser of \$132.00 or 20% of refund	
Headstone recycling fee	\$52.00	
<p>Administrative Refund Adjustment: An administrative refund adjustment (rebate) will be considered when there is a full casket refund, together with a purchase of a new ROI in an alternate space held by a family member. The administrative rebate is only available at the time of refund. The rebate makes it economical for a family to relinquish a previous unused full burial plot space to the District and use a grave space held by a family member. The rebate results in no incremental cost to the family, except those related to the actual interment/inurnment fees that apply, in any case, to all interments/inurnments at the time of burial or placement.</p>		

SCHEDULE E - CEMETERY	2026 FEE	DETAILS
FEE STRUCTURE DETAILS		
A. Rights of Interment Fees for Residents		
<p>Note that this does not include open and closing for actual interment in the grave space, or for inurnment in a columbaria, markers, liners where required, and other administrative fees.</p> <ol style="list-style-type: none"> 1. Initial Rights of Interment are allocated to a person at time of purchase: the person must be named. 2. Additional Rights of Interment are where the person is named at the time of the initial purchase only. 3. Subsequent Rights of Interment are where the person is not named at the time of initial purchase but is named sometime in the future. 		
B. Memorial Fee for in memoriam designations		
Memorial fee is in addition to fees for marker setting or re-setting.		
C. Care Fund		
All interment rights, in memoriam fees, and memorial marker setting fees include contributions to the Cemetery Care Fund. Care Fund fees are not refundable as per the Cremation, Interment and Funeral Services Act.		
D. Additional Fees for Non-residents		
<p>Additional fees for non-residents only apply to the right of interment and associated care fund contribution. The additional fees for non-residents are set at 2 1/2 times the applicable fees respecting in-ground interment and columbaria interment rights. There are no additional non-resident fees for interment or inurnment, in memoriam fee, markers, liners, or other administrative fees.</p> <p>The first right of interment to a non-resident for a grave or niche space, triggers the obligation to pay the incremental non-resident fees on the initial right of interment purchase, at current pricing, including the care fund contribution. Note that subsequent rights of interment fees do not apply in this case.</p>		
E. Additional Information		
<p>A resident can be a:</p> <ul style="list-style-type: none"> • property owner in the District of West Vancouver; • spouse or dependent child of property owner in the District of West Vancouver; • resident elector, who is someone who meets all of the following requirements: older than 17 years old and is a Canadian citizen, and is a resident of BC for at least six months, and a resident of the District of West Vancouver for at least 30 days; • spouse or dependent child of resident elector (a spouse of a resident elector would very likely be a resident elector themselves. A dependent child of a resident elector would not themselves be a resident elector because they would not be 18 years of age. Upon turning 18 and not being dependent, they would become a resident elector provided they met the residency requirements). 		
F. Proof of Identity and Residency		
<p>Proof of residency is required for the person whose name appears, or will appear, on the Right of Interment.</p> <p>The resident rate is available to current residents of West Vancouver who can provide two of the following acceptable proofs of residency (at least one piece of identification must have a signature):</p> <ul style="list-style-type: none"> • Valid BC Drivers Licence, BC Health Care Card or BC ID Card showing full legal name and current address • Current utility bill for electricity, gas, cable or land line telephone showing resident's full legal name and address • Current District of West Vancouver Property Tax Notice, or current District of West Vancouver
