10. **West Bay Park Vision Plan**  (File: 2160-04-WBPA1)

A. Mooi (Director, Parks and Community Services) spoke relative to the subject report dated April 9, 2014.

L. Battersby (221 Maple Lane) spoke relative to West Bay Park including: 12 years ago a group of residents wanted to remove the row of cedars in the park entrance and conveyed experiences collecting signatures and working with the Parks Department; a comprehensive plan for park improvement; cost sharing; the most pressing issue is repair of the washrooms and removal of the cedars and shrubs; disappointing and difficult process; and asked Council to please make this right.

O. Kempo (3456 Marine Drive) spoke relative to West Bay Park including: the Parks Department planted but did not trim or care for the hedge; two neighbours have an unobstructed view over their fences, but her view is of overgrown bushes; cedars to the east are ruining her carport; lack of maintenance of the park property and negative impact on her property; and contribution to the cost of trimming and removal.

W. Nesmith (235 Maple Lane) spoke relative to West Bay Park including: arborist informed that the trees present a safety hazard and can no longer be safely re-topped; liability; heartily endorse the West Bay Park vision plan report; the District put the hedge in the park 50 years ago but did not maintain it; and removal of those trees.

J. Marshall (221 Maple Lane) spoke relative to West Bay Park including: support for neighbours and past experience with the park issues including action had advanced to where the money to remove the trees and landscaping was in place, a landscaping plan was prepared and the neighbours were on board and agreed to pay; lack of park maintenance over the years and specifically the park in front of the Kempo’s house and the negative impact; and corrective restoration.
measures should be taken immediately. Mayor Smith queried regarding the plan and J. Marshall spoke relative to building a garage close to a creek, payment to the District and the agreement was that money would be put towards removing the trees and starting to clean up the park, described residents’ agreement to put more money in; a landscaping plan was drawn up, and that was the end of it. J. Marshall informed they fully support the initiative and will help in any way they can.

A. Molloy (235 Maple Lane) spoke relative to West Bay Park including: supporting the plan presented and disappointment that there can’t be any progress until next year.

Discussion ensued and A. Mooi and A. Banks (Senior Manager, Parks) responded to queries of Council.

MOVED by Panz, seconded by Gambioli:

THAT the West Bay Park Vision Plan be adopted and be implemented as funding becomes available.

OTHER ITEMS

17. Council requested that the following correspondence be brought forward for discussion.

17.1. L. McNeil, April 9, 2014, regarding "FW: Heritage Cedar Trees @ 1136 Mathers Avenue" (Referred to Director of Planning, Land Development and Permits for consideration and response)

Councillor Gamboli referred to the subject correspondence and spoke relative to removal of trees on private land and concerns regarding why West Vancouver does not have a tree bylaw for trees on private property.

17.2. A. Kermode and L. Clarke, April 24, 2014, regarding Cutting and/or Removal of Trees on Private Property (Referred to Director of Parks and Community Services for consideration and response)

Councillor Cameron referred to the subject correspondence and commented on increased frequency of tree cutting and impact, lots of construction and all trees often cut down on the lots, and informed that staff need to provide options for considering a tree bylaw. Council members commented relative to the subject correspondence. A. Mooi (Director, Parks and Community Services) spoke relative to the process for pruning and removing trees on public land, informed there is no policy for protecting trees on private property except in riparian areas and in some covenant areas, staff are undertaking a review of tree policies in other municipalities and it is staff's intention to do further work in that regard.

17.3. B. Brink (Petition with 145 signatures), April 8, 2014, regarding "Application for two towers on the former White Spot site at Park Royal"

In response to Councillor Cameron's request R. Fung (Director, Engineering and Transportation) provided an update and informed: that the letter specifically concerns the applications regarding the former White Spot site; staff are aware of residents' frustrations regarding transportation in this region and are already working closely with other jurisdictions and are resolving to establish more formally a North Shore staff multi-jurisdictional working group.

MOVED by Booth, seconded by Lewis:

THAT Item 17.1 to 17.3 be received for information.

PUBLIC QUESTIONS AND COMMENTS

18. Public Questions and Comments

B. Macartney (98 Glenmore Drive) spoke relative to long boarding as a growing sport for young riders, long boarding safety and responsibility, the meeting with stakeholders held on July 26, 2013 and no policy action since that time other than aggressively enforcing the bylaw and urged Council to revisit the process and focus on a balanced strategy.

Mayor Smith spoke relative to the July 26, 2013 meeting, informed the issue was raised at Police Board meetings, and would be interested in B. Macartney’s comments about what other municipalities have done. B. Macartney spoke relative to examples of communities that have found a balanced approach to long boarding including curtailing streets and times for riders, and promoting communities and increasing tourism, and the need to establish an effective policy for this community.

Mayor Smith informed that A. Mooi (Director, Parks and Community Services) could meet with the stakeholders and Council members commented relative to skateboarding. A. Mooi informed that staff are working with a group of youth that are working to revamp the Ambleside skate park, and would be happy to meet with B. Macartney.

M. Perreten (431 Helmcken Street, Vancouver) spoke relative to the July 26, 2013 meeting, conveyed concern regarding a ban on long boarding and skateboarding on streets and informed that more people are riding dangerously now which is creating more conflict.

M. Chandler (112 East Pender Street, Vancouver) spoke relative to concerns regarding prohibition of long boarding in West Vancouver without an alternative, the need for a regulation regarding use of road space, commented that the long boarding community has stopped self-policing to the extent that they used to which is why we are seeing some of these problems, and prohibitions and alternatives including the need to redirect behaviour, not criminalize it.
