THE CORPORATION OF THE DISTRICT OF WEST VANCOUVER
MANAGEMENT REPORT FOR 2023

The Consolidated Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* (the “Act”) have been prepared by management in accordance with generally accepted accounting principles or stated accounting principles, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

Municipal Council is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and exercises this responsibility through the Finance and Audit Committee. The Finance and Audit Committee is a Committee comprised of Council, pursuant to the *Community Charter* section 170, which provides oversight of the annual audited financial statements, internal controls and the external auditors. Meetings are held with the external auditors annually or as determined by the Committee.

The external auditors, KPMG LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the consolidated financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the corporation's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

On behalf of The Corporation of the District of West Vancouver,

Isabel Gordon

INDEPENDENT AUDITOR'S REPORT

To the Mayor and Council of The Corporation of the District of West Vancouver

Opinion

We have audited the consolidated financial statements of The Corporation of the District of West Vancouver (the "District"), which comprise:

- the consolidated statement of financial position as at December 31, 2023
- the consolidated statement of operations for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- notes and schedules to the consolidated financial statements, including a summary of significant accounting policies

(hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the District as at December 31, 2023 and its consolidated results of operations, its consolidated changes in net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the District in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the District's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the District or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the District's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report and includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the District's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the District to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a matter that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

DISTRICT OF WEST VANCOUVER
CONSOLIDATED FINANCIAL STATEMENTS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended December 31, 2023

1. OPERATIONS

The Corporation of District of West Vancouver (the “District”) was incorporated in 1912 and is subject to the provisions of Local Government Act and Community Charter of British Columbia. The District’s principal activity is the provision of local government services to residents of the incorporated area. These include administrative, protective, transportation, environmental, recreational, water and sanitary services.

2. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the District have been prepared in accordance with Canadian public sector accounting standards (“PSAS”) as prescribed by the Public Sector Accounting Board (“PSAB”).

The significant accounting policies are summarized below:

(a) Basis of Consolidation

The consolidated financial statements include the assets, liabilities, revenues, and expenses of the District, including controlled entity, the West Vancouver Memorial Library Foundation (the “Library Foundation”).

(b) Basis of Accounting

The District follows the accrual method of accounting for revenues and expenses. Revenues are recognized in the year in which they are earned, are measurable and collection is reasonably assured. Expenses are recognized as they are incurred and are measurable as a result of receipt of goods and services and/or the creation of a legal obligation to pay.

(c) Revenue Recognition

(i) Taxation

Annual levies for non-optional District services and general administrative services are recorded as General Taxation in the year to which they relate. Levies imposed by other taxing authorities are not included in the consolidated statement of operations.

(ii) Community Amenity Contributions

Community amenity contributions received by the District are included on the consolidated statement of operations. Revenue is recognized on the cash basis in the year the payment was received.

(iii) Long-Term Prepaid Lease

Prepaid lease payments received in advance by the District are included on the consolidated statement of financial position as deferred revenue and deposits. Revenue is recognized on a straight line basis over the term of the lease.

(iv) Deferred Revenue and Deposits

Deferred revenue consists of prepaid property taxes, prepaid business licences and prepaid fees. The District recognizes these revenues in the year the related services are performed and earned or in the period in which they relate, as appropriate.

(v) Government Transfers

Unrestricted government transfers are recognized as revenue in the year in which the transfer is authorized by the issuing government, and when any eligibility criteria has been met. Restricted government transfers, in the way of grants or other transfers, are recognized as revenue in the year in which any liabilities arising from stipulations are extinguished.

DISTRICT OF WEST VANCOUVER
CONSOLIDATED FINANCIAL STATEMENTS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended December 31, 2023

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(d) Non-Financial Assets

Non-financial assets excluding restricted investments are held for use in the provision of goods and services but are not available to discharge existing liabilities.

These assets have a useful life extending beyond the current year and are not intended for sale in the ordinary course of operations.

Intangible assets, such as water rights and mineral resources, are not recorded in the consolidated financial statements.

(i) Tangible Capital Assets

Tangible capital assets are recorded at cost, which includes amounts that are directly attributable to the acquisition, construction, development or betterment of the assets. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful life as follows:

Type	Major Asset Category	Useful Life Range (Years)
General	Land	n/a
	Land improvements	10 – 50
	Buildings	30 – 100
	Machinery, furniture & equipment	4 – 15
	Vehicles	5 – 15
Infrastructure	Transportation	10 – 100
	Water	10 – 100
	Sanitary Sewer	10 - 100

Amortization is charged over the asset's useful life, commencing when the asset is put into use. Assets under construction are not amortized until the asset is available for use.

The District owns a number of works of art and historical treasures including sculptures, paintings and reproductions, mosaics, totem poles and monuments. These assets are not included as part of the tangible capital assets.

Contributed tangible capital assets are recognized at fair value at the date of contribution and are also recognized as revenue. Where an estimate of fair value cannot be made, the tangible capital asset is recognized at nominal value.

The District does not capitalize interest whenever external debt is issued to finance the construction of assets.

(ii) Inventories

Inventories are recorded at the lower of cost and net realizable value. Inventory is written down to net realizable value when the cost of inventory is estimated not to be recoverable. Cost is determined using average cost basis.

(iii) Restricted Investments

Restricted investments are measured at fair value and represent long-term investments held by the Library Foundation. Although there is the ability to sell these investments they have been presented in these consolidated financial statements in the category of "Non-Financial Assets". This is because of the requirement that the investments be held in perpetuity and that only related investment earnings can be expended.

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(e) Employee Future Benefits

The District and its employees make contributions to the Municipal Pension Plan. The District's contributions are considered expenses as incurred.

Post-employment benefits also accrue to the District's employees. The liabilities related to these benefits are actuarially determined, based on services and best estimates of retirement ages and expected future salary and wage increases. The liabilities under these benefits plans are accrued based on projected benefits as the employees render services necessary to earn the future benefits.

(f) Use of Estimates

The preparation of the consolidated financial statements requires management to make estimates and assumptions that affect the recorded amounts of assets, liabilities, revenues, expenses and contingent liabilities. Significant areas requiring the use of estimates include: 1) employee future benefits payable, 2) provisions for contingencies, 3) the useful lives of tangible capital assets, and 4) asset retirement obligations. If actual results differ, adjustments are reflected on subsequent consolidated financial statements.

(g) Debt

Debt is recorded net of sinking fund and actuarial adjustments.

(h) Investments

Investments in guaranteed investment certificates ("GICs"), the Municipal Finance Authority of BC (the "MFA") Money Market Fund, Government Focused Ultra-Short Bond are recorded at cost. When, in the opinion of management, there is an other than temporary decline in value, investments are written down to their net realizable value.

(i) Development Cost Charge

Development cost charges are restricted by legislation or by agreement with external parties to expenditures on capital infrastructure. These amounts are deferred upon receipt and are recognized as revenue when the expenditures are incurred in accordance with the restrictions.

(j) Segment Disclosure

A segment is defined as a distinguishable activity or group of activities of a government for which it is appropriate to separately report financial information. The District has provided definitions of segments used by the District (Note 16) as well as financial information in segment format (Schedule 1 and 2).

(k) Contaminated Sites

A liability for remediation of a contaminated site is recognized at the consolidated financial statements date when an environmental standard exists, contamination exceeds the standard, and it is expected that future economic benefits will be given up and the liability can be reasonably estimated.

(l) Assets Retirement Obligations

A liability is recognized when, as at the financial reporting date, all of the following criteria are met:

- (a) there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- (b) the past transaction or event giving rise to the liability has occurred;
- (c) it is expected that future economic benefits will be given up; and
- (d) a reasonable estimate of the amount can be made.

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(l) Assets Retirement Obligations (Continued)

At the District, asset retirement obligations are measured by using best estimate and discounting method, which involves estimating the obligations at the inception of the obligation and recognizing the corresponding liability on the consolidated statement of financial position. The obligation is determined based on the present value of expected future cash outflows directly attributable to asset retirement activities, discounted at an appropriate risk-adjusted rate.

The resulting costs have been capitalized into the carrying amount of tangible capital assets categories and are being amortized on the same basis as the related tangible capital asset (see Note 2(d)(i)). Assumptions and discount rate used in the calculations are reviewed annually.

(m) Financial Instruments

Financial instruments include cash, investments, accounts receivables, restricted investments, accounts payable and accrued liabilities and debt.

Financial instruments are recorded at fair value on initial recognition. Equity instruments quoted in an active market and derivatives are subsequently measured at fair value as at the reporting date. All other financial instruments are subsequently recorded at cost or amortized cost unless management elects to carry the financial instrument at fair value. The District has elected to carry its restricted investments at fair value.

Unrealized changes in fair value are recognized in the consolidated statement of remeasurement gains and losses. They are recorded in the consolidated statement of operations when they are realized. There are no significant unrealized changes in fair value as at December 31, 2023 and December 31, 2022. As a result, the District does not have a consolidated statement of remeasurement gains and losses.

Transaction costs incurred on the acquisition of financial instruments recorded at cost and are expensed as incurred.

Sales and purchases of investments are recorded on the trade date.

Accounts receivables, investments, accounts payable and accrued liabilities, and debt are measured at amortized cost using the effective interest rate method.

All financial assets are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the consolidated statement of operations.

3. CHANGE IN ACCOUNTING POLICY

(a) PS 3280 Assets Retirement Obligations:

On January 1, 2023, the District adopted Canadian public sector accounting standard PS 3280 Asset Retirement Obligations on a prospective basis. This new standard establishes standards for recognition, measurement, presentation and disclosure of legal obligations associated with the retirement of tangible capital assets and replaces PS 3270 Solid Waste Landfill Closure and Post-closure Liability.

DISTRICT OF WEST VANCOUVER
CONSOLIDATED FINANCIAL STATEMENTS
 NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
 For the Year Ended December 31, 2023

3. CHANGE IN ACCOUNTING POLICY (Continued)

(b) PS3450 Financial Instruments and related standards:

On January 1, 2023, the District adopted Canadian public sector accounting standard PS 3450 Financial Instruments, PS 2601 Foreign Currency Translation, PS 1201 Financial Statement Presentation and PS 3041 Portfolio Investments. The standards were adopted prospectively from the date of adoption. The new standards provide comprehensive requirements for the recognition, measurement, presentation and disclosure of financial instruments and foreign currency transactions.

Under PS 3450 Financial Instruments, all financial instruments are included on the consolidated statement of financial position and are measured at either fair value or amortized cost based on the characteristics of the instrument and the District's accounting policy choices (see note 2(m)).

The adoption of these standards did not have any impact on the amounts presented.

4. INVESTMENTS

	2023	2022
Municipal Finance Authority of BC Investment pools		
Money Market Fund	11,035	10,504
Government Focused Ultra-Short Bond	30,669	29,263
	41,704	39,767
Guaranteed Investment Certificates	252,500,000	194,000,000
Total Investments	252,541,704	194,039,767

The District placed the majority of its investments with GIC. The lengths and interest rates of GICs vary depend on the date of purchase. The District has a total of \$252,500,000 (2022 - \$194,000,000) invested with the maturity dates range from February 7, 2024 to November 3, 2027 (2022 - March 2, 2023 to November 3, 2027), and the interest rates range from 5.37% to 6.50% (2022 - 2.15% to 5.90%).

Interest earned by investments for the year ended December 31, 2023 totalled \$15,942,796 (2022 - \$6,404,824). Earnings have been recorded as investment income and partially allocated to various reserves (Note 12), or deferred as appropriated (Note 9).

	56,275,832	50,540,998

6. ASSET RETIREMENT OBLIGATIONS

Legal liabilities exist for the removal and disposal of asbestos in building upon renovations or demolition. Following the adoption of Canadian public sector accounting standard PS 3280 Asset Retirement Obligations, the District recognized an obligation relating to the removal of the hazardous materials in certain District-owned buildings as estimated at January 1, 2023. These costs have been integrated into the assets' carrying value and are amortized over their estimated useful lives (see Schedule 3).

Estimated costs totaling \$4,443,033 have been discounted using a present value calculation with a discount rate of 4.46%. The timing of these expenditures is estimated to occur between 2024 and 2051 with the regular replacement, renovation, or disposal of assets.

	2023
Initial recognition of estimated discounted cash flows	2,545,626
Increase due to accretion	113,535

7. EMPLOYEE FUTURE BENEFITS LIABILITY

The District provides certain post-employment benefits, non-vested sick leave, compensated absences, and termination benefits to its employees.

	2023	2022
Accrued benefit obligation, beginning of year	5,639,703	6,849,398
Current service costs	468,852	624,323
Interest costs	256,400	180,077
Plan amendments	-	(79,860)
Actual benefits paid	(511,412)	(577,193)
Actuarial gain (loss)	77,254	(1,357,042)
Accrued benefit obligation, end of year	5,930,797	5,639,703
Unamortized actuarial gain	493,933	570,557
	6,424,730	6,210,260

The liabilities reported in the consolidated financial statements are based on an actuarial valuation performed in 2022 that has been extrapolated to December 31, 2023. The District's actuarial valuation of employee future benefits is redone every three years and the next full valuation is scheduled to be incorporated into the District's December 31, 2025 year-end.

This actuarial gain is being amortized over a period equal to the employees' expected average remaining service lifetime.

The significant actuarial assumptions adopted in measuring the District's accrued benefit liabilities for post-employment benefits are as follows:

	2023	2022
Discount rate	4.10%	4.40%
Expected future inflation rate	2.50%	2.50%
Expected wage increases	2.58% to 4.63%	2.58% to 4.63%
Estimated average remaining service life	11 years	11 years

8. DEFERRED REVENUE AND DEPOSITS

	2023	2022
Long-Term Prepaid Lease	34,842,857	35,407,241
Prepaid Taxes	8,084,800	7,882,430

9. DEFERRED DEVELOPMENT COST CHARGES

These funds, including interest earned thereon are restricted by bylaw to the purposes for which they were collected from developers. Separate accounts hold funds that are to be used for underground wiring, waterworks infrastructure, drainage, roads and parks and open space projects in specific areas. Expenditures require budgetary authorization within the purposes authorized in the establishing bylaws. There were no developments for which development cost charges were waived or reduced in 2023 and 2022.

Continuity of Deferred Development Cost Charges:

10. DEBT, NET OF THE MFA SINKING FUND DEPOSITS

The District obtains debt instruments through the MFA, pursuant to security-issuing bylaws under authority of the Community Charter, to finance certain capital expenditures. The rates of interest on the principal amount of the MFA debentures vary between 2.60% and 4.90% (2022 - 2.60% to 4.90%) per annum. Interest expenses incurred for the year on the long-term debt was \$1,054,477 (2022 - \$1,054,477).

Outstanding debt:

	2023	2022
Various Infrastructure Loans	39,316,500	39,316,500
Repayments and actuarial adjustments	(13,399,964)	(11,662,752)
Net Debt	25,916,536	27,653,748

Repayments on net debt required in the next five years and thereafter are as follows:

	Total
2024	1,516,339
2025	1,031,545
2026	904,097
2027	935,706

10. DEBT, NET OF THE MFA SINKING FUND DEPOSITS (Continued)

Under borrowing arrangements with the MFA, the District is required to lodge security by means of demand notes and interest-bearing cash deposits based on the amount of the borrowing. As a condition of these borrowings, a portion of the debenture proceeds is withheld by the MFA as a debt reserve fund. These deposits totalling \$504,059 (2022 - \$488,865) are included in the District's financial assets as restricted cash and are held by the MFA as security against the possibility of debt repayment default. At December 31, 2023, there were contingent demand notes of \$755,427 (2022 - \$755,427), which are not recorded in the consolidated financial statements of the District. If the debt is repaid without default, the deposits are refunded to the District and demand notes are cancelled.

11. ACCUMULATED SURPLUS

Accumulated surplus is represented by:

	2023	2022
Unappropriated Surplus	1,432,324	1,048,516
Amblevue Co-op Lease Payback (Note 14(a))	(14,522,269)	(14,808,396)
Reserve Funds - Cash (Note 12)	181,644,459	146,612,873
Investment in Non-Financial Assets	542,732,151	526,820,512
Accumulated Surplus	711,286,665	659,673,505

The unappropriated surplus is the amount of accumulated surplus remaining after deducting the various appropriated surplus balances and the investment in non-financial assets.

Amblevue Co-op Lease Payback is the buy back amount of Amblevue members' shares upon expiration of the lease, net of sinking fund payments received (Note 14(a)).

Reserve funds represent a portion of the accumulated surplus that has been set aside by Council for specified purposes. In the normal course of operations, these funds will be used to finance the services or the capital projects for which they have been set aside.

Investment in non-financial assets represents the net book value of the District's non-financial assets including the Library Foundation's non-financial assets less any capital debt. In the normal course of operations, non-financial assets excluding Library Foundation restricted investments, will be used to provide services, and debt will be repaid by future utility rate and tax revenues.

12. RESERVE FUNDS

Individual statutory and non-statutory reserve funds have restrictions and conditions as follows:

Statutory Reserves

(a) Endowment Fund

The Endowment Fund is subject to a minimum threshold as established in the District's Endowment Fund Bylaw. On January 8, 2018 Council amended the Endowment Fund to set the threshold value at \$18,000,000. The balance in the fund at December 31, 2023 is \$20,841,684 (2022 - \$20,585,677). The reserve may be used to pay for the acquisition or construction of major capital projects or the reduction of municipal debt incurred for acquisition or construction of major capital projects.

(b) Environmental Reserve Fund

This fund was established in 2022 and is used for programs that support the protection of the natural environment and nature capital assets, as well as initiatives to reduce GHG emission at the District and community level.

12. RESERVE FUNDS (Continued)

Statutory Reserves (Continued)

(c) **Youth Activity Reserve Fund**

This fund is subject to a minimum threshold as established in the District Youth Activity Fund Bylaw and adjusted annually for inflation using the annual Provincial Consumer Price Index. This fund is used for capital projects or programs undertaken by the District or community groups for the benefit of youth in the community. The amount of the threshold at December 31, 2023 is \$637,094 (2022 - \$614,885). The balance in the fund December 31, 2023 is \$648,296 (2022 - \$614,965).

(d) **Public Art Reserve Fund**

This fund was established in 2016 and is used for the purpose of creation, maintenance, and preservation of public art in the District of West Vancouver and furthering the goals of the District's public art program.

(e) **Amenity Contributions Fund**

Developer contributions received by the District, for the purpose of improving the quality of life in the community, are held in the Amenity Contributions Reserve. The funds may be secured under the Local Government Act, as a term of the sale of District-owned land or by other means, and fall within a broad range of categories. On May 10, 2021 Council approved the amended Community Amenity Contributions Policy to allocate one percent of the unrestricted Community Amenity Contributions ("CAC") received to the Public Art Reserve; fifty percent of the remaining unrestricted CAC to neighbourhood serving capital projects; and the other fifty percent of the remaining unrestricted CAC to community serving capital projects.

(f) **Capital Facilities Reserve**

The Capital Facilities Reserve is to be used for creation and maintenance of facilities to deliver municipal services; planning works for designing or enhancing District owned or occupied buildings; and acquisition of land and improvements for use in delivering services in the District.

(g) **Capital Infrastructure Reserve**

This fund is designated for ongoing maintenance and replacements of existing infrastructure.

(h) **Capital Equipment Reserve**

This fund is to be used for heavy equipment, general equipment and information technology and communications equipment.

(i) **Water Reserve Fund**

This fund may be used to finance the acquisition or construction of water system works, repay debt and interest, and contribute to the stabilization of District water rates.

(j) **Sewer & Drainage Reserve Fund**

This fund may be used to finance the acquisition or construction of sewer and drainage system works, repay debt and interest, and contribute to the stabilization of District sewer and drainage rates.

(k) **Affordable Housing Fund**

Affordable housing fund is designed to support the development of below market housing to low income residents.

(l) **Land Reserve**

This fund was established in 2018 and is used to capture the proceeds of land sales.

12. RESERVE FUNDS (Continued)

Non-Statutory Reserves

(m) Operating Reserves

Operating Reserves are intended for one-time operating expenditures that may occur from time to time, and may be expended within general budgetary authority.

(n) Capital Reserves

These reserves are designated for the periodic replacement of specified assets or retirement of debt.

(o) Operational Asset Reserve

Operational Asset Reserve is to be used for items that may not be capital in nature but still require replacement on a periodic basis.

(p) Solid Waste Reserve

Net revenue or expense from solid waste operations are transferred to or from this fund annually. This reserve is used as a contingency for solid waste collection and rate stabilization should solid waste collection costs increase.

(q) Water Operating Reserve

This reserve serves as a contingency for water operating costs. The balance in the reserve at the year end should be adequate to cover 120 days operating funding requirements for the subsequent year.

(r) Sewer & Drainage Operating Reserve

This reserve serves as a contingency for sewer and drainage operating costs. The balance in the reserve at the year end should be adequate to cover 90 days operating funding requirements for the subsequent year.

(s) Golf Development Reserve

Net revenues or expenses from golf operations are transferred to/from this fund annually. These funds are designated for golf course development generally, and may be expended within general budgetary authority.

(t) Cemetery Development Reserve

Net revenues or expenses from cemetery operations are transferred to or from this fund annually. These funds are for cemetery development generally, and may be expended within general budgetary authority.

(u) Provincial COVID-19 Safe Restart Reserve

The District received \$5,068,000 in 2020 from the Province of BC to support operating costs and revenues impact due to Covid-19, and may be expended within general budgetary authority. As at December 31, 2023, the remaining unspent but committed balance is \$172,851.

13. CONTRACTUAL OBLIGATIONS AND CONTINGENCIES

(a) Legal Actions

The District is currently involved in certain legal actions. Financial implications of potential claims against the District, resulting from such litigation, and that are not covered by insurance, are accrued to the extent that amounts can be reasonably estimated. Otherwise, such claims are recognized in the year in which a measurable obligation is determined.

(b) Municipal Pension Plan

The District and its employees contribute to the Municipal Pension Plan (a jointly trustee pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2022, the plan has about 240,000 active members and approximately 124,000 retired members. Active members include approximately 847 contributors from the District.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation for the Municipal Pension Plan as at December 31, 2021, indicated a \$3,761 million funding surplus for basic pension benefits on a going concern basis.

The next valuation will be as at December 31, 2024, with results available in 2025.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

The District paid \$7,674,579 (2022 - \$7,298,665) for employer contributions while employees contributed \$6,528,524 (2022 - \$6,211,105) to the plan in fiscal 2023.

(c) Place for Sports

The District and West Vancouver School District have entered into a Joint Use Agreement to establish the roles and responsibilities for each party in replacing the existing track and grass field at West Vancouver Secondary School (WVSS) with a new track and lit artificial turf field. The project, situated on land owned by the West Vancouver School District, is primarily funded by the District. The total cost, amounting to \$10,455,727 plus tax, was approved in 2023, and the contract has since been awarded.

Construction on the West Vancouver Place for Sport commenced in late November 2023 and is projected to conclude by January or February 2025. Upon its completion, the Place for Sport facility, encompassing the track, field, and training areas, will be accessible to community sport organizations outside of school hours.

(d) Navy Jack

In 2023, the District entered into a ground lease agreement with Carrera Management Corporation for a term of 25 years. Carrera Management Corporation is responsible for restoring the Navy Jack building on District-owned land. The estimated cost of restoration is \$1.6 million, and the District will contribute \$1 million towards the cost of the work. Additionally, the tenant will not be required to pay rent for the duration of the lease term.

14. CONTRACTUAL RIGHTS

The District has entered into agreements related to the lease of District property, for periods from 5 to 125 years. Lease proceeds are recognized based on the terms of the specific leases which are as follows:

(a) 14th Street - Duchess to Esquimalt, Ambleview Place Housing Co-Operative

Included in Other Trust Funds (Note 19) are lease payments received related to District-owned land. These amounts will not be available to the District until the end of the lease period, February 28, 2047.

The premises will revert to the District upon the expiration of the term. Payments are to be received in annual amounts escalating from \$5,040 to \$20,160 (currently \$12,600) until the year 2047. At December 31, 2023, the cumulative amount totalled \$509,343 (2022 - \$470,880).

In 2022, the District discovered its obligation to buy back Ambleview members' shares upon expiration of the lease, at an amount that is equivalent to the fair market value of the freehold interest in the units according to the ratios outlined in the lease agreement.

In 2023, the payment amount of \$14,522,269 (2022 - \$14,808,396) is based on a third-party appraisal value at the consolidated statement of financial position date.

(b) 328 Taylor Way

The District receives annual lease proceeds of \$125,000 (plus an adjustment for inflation starting in 1999) to the year 2087. The net proceeds of \$321,579 (2022 - \$302,561) were received in 2023 and transferred to the Endowment Fund.

(c) Community Centre

The District leases 19,529 square feet of custom designed space at the West Vancouver Community Centre under a long-term lease agreement to Vancouver Coastal Health Authority. The lease commenced May 1, 2009 with the following terms:

Term – 30 years, with one 10 year renewal option

Annual rentals are as follows:

Years 1 to 10 - \$629,810 or \$32.25 per square foot

Years 11 to 20 - \$744,250 or \$38.11 per square foot

Years 21 to 30 - \$995,002 or \$50.95 per square foot

plus a proportionate share of defined operating and maintenance costs

Certain other spaces in the West Vancouver Community Centre are covered by commercial third party rental and leasing agreements with varying terms.

(d) Performance Deposits

In addition to cash deposits, the District is holding irrevocable Letters of Credit in the amount of \$19,962,994 (2022 - \$28,958,680), which were received from depositors to ensure their performance of works to be undertaken within the District. These amounts are not reflected in these consolidated financial statements.

18. 2023 BUDGET ADJUSTMENTS

The budget amounts presented throughout these consolidated financial statements are based on the budget (referred to as the Financial Plan in the legislation) approved by Council on April 3, 2023, with the exception of the budgets for tangible capital asset related expenses (maintenance, amortization, write-downs and loss on disposal).

The table below shows the adjustments made to the 2023 budget values with the addition of the budgets for tangible capital asset expenses. The adjusted budget values are then comparable to the 2023 actual values, and are the budget values shown in the consolidated statement of operations and the consolidated statement of changes in net financial assets.

19. TRUST FUNDS

Certain assets have been conveyed or assigned to the District to be administered as directed by agreement or statutes. The Cemetery Care Fund is restricted by legislation as to principal amount, interest earnings are available for ongoing maintenance of cemetery grounds as required. Other Trust Funds include funds for various seniors' clubs, community projects and library bequests. The District holds the assets for the benefit of and stands in fiduciary relationship to the beneficiaries. The District excludes trusts it administers from consolidated financial statements.

20. MEMBERSHIP IN E-COMM EMERGENCY COMMUNICATIONS FOR BRITISH COLUMBIA INCORPORATED (E-Comm)

The District is a member of E-Comm, an organization comprised predominantly of member municipalities, for the purpose of providing emergency and dispatch services. The District is represented on the Board and, as a Class A shareholder, has voting rights should E-Comm want to incur debt.

The E-Comm facility was constructed using debt as a financing mechanism. Members are liable for their proportionate share of that debt with debt being repaid by members through annual fees charged by E-Comm. Should E-Comm dissolve, members would be liable for a proportionate share of any residual debt. Alternatively, should a member choose to opt out of E-Comm, they would be liable for a proportionate share of the debt at the time of withdrawal. The District holds two Class A shares, and one Class B share.

21. GOVERNMENT TRANSFERS

Government transfers are received for operating and capital activities. The operating transfers consist of provincial, federal and other government agencies contributions. Capital transfers are included in other contributions for capital. The source of government transfers are as follows:

	2023	2022
Operating		
Province of BC	\$9,000,307	\$766,360
Federal government	49,907	48,163

	\$10,147,877	\$2,998,480

22. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

Financial instruments include cash, investments, accounts receivables, restricted investments, accounts payable and accrued liabilities and debt. The District has exposure to the following financial risks from its use of financial instruments: credit risk and interest rate risk.

Management is responsible for safeguarding resources, managing risks, and implementing appropriate policies and framework.

(a) Credit Risk

Credit risk refers to the potential for the District to incur financial losses if a third party fails to fulfill its contractual obligations. Primarily, credit risk arises from the District's cash and investments.

Cash is held with banks that have high credit ratings and minimal market risk. Given these high credit ratings, management does not expect any counterparty to fail to meet its obligations.

Investments are held with reputable financial institutions. Management ensures investment policies are followed to mitigate credit risk.

(b) Interest rate risk

Changes in interest rates may affect the District's future cash flows or fair market value of financial instruments. Primarily, interest rates risk arises from District's investment and long-term debts.

The District is trying to take advantage of current high interest rates by actively locking investments for longer term GICs as the market conditions indicate rates may flatten out.

As a result of the current high interest rate, the District is not seeking any new loans through MFA. The District's current long-term debts are not up for renew in the near future.

(c) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The District is exposed to market risk in its restricted investments. Management ensures that the investment policy is followed to mitigate market risk.

23. COMPARATIVE FIGURES

Certain prior period figures have been reclassified to comply with the presentation adopted in the current year. These changes did not have an impact to prior year annual surplus or accumulated surplus.

Notes

Prepared under Financial Information Regulation, Schedule 1, section 6(2).

The statement of remuneration and expenses paid to employees during the year ended December 31, 2023, lists gross remuneration, which includes regular salaries as well as payment for taxable benefits, overtime, other allowances and payout of entitlements that may have been earned in previous years.

Base salary does not include anything payable under a severance agreement.

Other – includes retroactive pay, prior year overtime, taxable benefits and other forms of remuneration which are not considered part of employee base salary.

Expenses - includes travel expenses, memberships, tuition, car allowances, registration fees and have not been included in remuneration. Negative amounts are the result of refund of prior year expenditures.

Based on Provincial instructions, reporting of Police remuneration details has been indefinitely suspended.

THE CORPORATION OF THE DISTRICT OF WEST VANCOUVER
STATEMENT OF SEVERANCE AGREEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

There were twelve severance agreements under which payment commenced between the District of West Vancouver and its non-unionized employees during fiscal year 2023.

These agreements represent from 1 to 22 months of compensation.*

* "Compensation" means salary and in some cases benefits. Where benefits were paid, they include employer's share of extended medical and dental premiums.

Prepared under Financial Information Regulation, Schedule 1, subsection 6(7)
