REPORTS / ITEMS

4. 6085 and 6093 Marine Drive

Staff provided a presentation regarding the proposed development application for 6085 and 6093 Marine Drive and answered Committee questions.

L. Webb (Merrick Architecture), E. Spearing, L. Wolinsky, M. Pascuzzi (Ledcor Property Investments), and T. Holland (Perry + Associates Landscape Architecture) provided a subsequent presentation and answered Committee questions.

Committee members expressed overall support for the proposed density, the unit configuration in the context of the topography of the site, and the overall project integration with the Seaview Walk.

Members noted:

- the potential to enhance landscaping with more sustainable vegetation;
- concerns regarding the staggered roof design; and
- potential livability issues for the northernmost units, particularly related to parking and roof design.

Having reviewed the application and heard the presentation provided by staff and the applicant, it was Moved and Seconded:

THAT the Planning Committee is generally in support of the application subject to further review of the following items by staff:

1. for the proposed roof design, ensure that the design works for both the exterior expression and view from Seaview Walk trail users and for the livability of the dwelling units;
2. design development to consider improvements to the expression and design of the overall proposal; and
3. ensure that the proposed high quality of the materials is maintained in the overall design.
