When it is your turn to address Council, staff will allow you to unmute your microphone and turn on your webcam in order to provide you with your public input opportunity.

Please note that staff will not be in a position to provide you with a specific time-slot when you register to speak, so we ask that participants who wish to address Council be available for the duration of the public hearing.

2. Council requests that you please begin your remarks by providing your name and municipality of residence. If you are speaking on behalf of some other person or organization, Council requests that you please identify the name of that person or organization.
