to include all lands with dwellings located within the boundaries of the District of West Vancouver.

3. PUBLIC HEARING PROCEDURE

The procedure for the public hearing will be described as follows:

Council is convening this public hearing to consider and receive submissions regarding proposed Official Community Plan Bylaw No. 4985, 2018, Amendment Bylaw No. 5375, 2025 regarding the NE1 Wildfire Hazard Development Permit Area Designation.

Anyone who believes that their interest in property is affected by the proposed bylaw will be heard and/or may provide a written submission either in-person or via email to correspondence@westvancouver.ca. No one will be discouraged or prevented from making their views heard.

Council members may ask questions of you following your presentation but Council's function during this public hearing is to listen to the views of the public, not to debate the proposed bylaw.

After the public hearing has concluded, Council may, without further notice, give whatever effect Council believes proper to the representations.

Your only opportunity to comment on the proposed bylaw is during the public hearing. Council is not permitted to receive further submissions once Council has closed the public hearing.

Council has received documents which are available for the public to view. A hard copy of these may be obtained from the Corporate Officer during the public hearing. These documents can also be viewed online at westvancouver.ca/news/notices. Please note that the online copy of the documents will not include items received after noon today.

To maintain order and to ensure that everyone has an opportunity to be heard here are the rules of procedure:

1. A Speakers List has been established.

For those attending in-person, you may place your name on the list at any time throughout the public hearing. If you are speaking from prepared remarks, Council requests that a copy be provided to the Corporate Officer.

To participate via electronic communication facilities, please phone 604-925-7004 and provide your name and telephone number to staff who will add you to the Speakers List. When it is your turn to address Council, staff will allow you to unmute your microphone and turn on your webcam in order to provide you with your public input opportunity.

Please note that staff will not be in a position to provide you with a specific time-slot when you register to speak, so we ask that participants who wish to address Council be available for the duration of the public hearing.

2. Council requests that you please begin your remarks by providing your name and municipality of residence. If you are speaking on behalf of some

other person or organization, Council requests that you please identify the name of that person or organization.

3. Please limit your remarks to 5 minutes and to the subject of the proposed bylaw. Please be respectful to others.
4. After everyone has spoken once, you will have an opportunity to speak subsequent times to provide additional information, if you wish. Please follow the process outlined above to be re-added to the Speakers List.

If you have any concerns about the rules of the hearing, please address your comments to the Chair.
