Indemnity and Insurance

16) The Parties agree that in the event that the DNV is named in a legal action arising in any way, directly or indirectly, from the operation or administration of the Registry or any adjudication conducted pursuant to this Agreement, then the Party who issued the Bylaw Notice associated with or giving rise to the legal action will indemnify the DNV for all of its costs, including staff time and solicitors and professional fees and disbursements, for responding to and defending against such legal action except in the case of dishonesty, gross negligence or malicious or willful misconduct by the DNV.
