School Zone Safety Tips

DO:

- Drive lawfully and safely, without distraction – your behaviour is a model for your kids
- Obey 30kmph School Zone and Playground Zone speed limits
- Yield for pedestrians in crosswalks
- Obey posted “No Stopping” and “No Parking” signs
- Encourage children to cross only at designated crosswalks and to look both ways before crossing the street

DON'T:

- DON'T block crosswalks, driveways, or fire hydrants
- DON'T make a U-Turn, back up, or use driveways to turn around – these moves can put kids at risk
- DON'T pass stopped vehicles – there may be a child crossing the street
- DON'T idle your vehicle when stopped – turn off the car to wait

Where to Park

If you need to come in with your child, please park in one of the following locations:

- List of specifics from school, such as:

Youngest child drop-off Spot 1

- Older child drop-off area Spot 2
- Spot 3
- Or, park legally on a street farther away from the school and walk the last few blocks.

Message from the School

Our school wants to reduce traffic problems that put children in harm's way.

We are all part of the solution.

Whether you drive, walk, or wheel to school, read and follow the pick-up and drop-off procedures in this brochure.

Please do **your** part to keep our children safe.

What's New This Year

(or explain Special Programs):

- Carpool meet up location?
- Curbside Valet Program?
- BCAA School Safety Patrol Crossing Guards?
- Walk & Wheel Wednesdays?
- Walk & Bike to School Week?
- **or a bulleted list**
- **Of any changes**
- **To the school**
- **Transportation**
- **Procedures**

Get Involved

To get involved in safe and active school transportation, please contact the school office or attend a PAC meeting.

Tired of the Traffic?

Walk or Wheel to School!

Kids who are physically active are healthier and perform better at school.

Plus, it's fun!
