District of West Vancouver Pre-Authorized Debit Plan

TERMS & CONDITIONS

1. All outstanding taxes, penalties, and interest must be fully paid before deductions can begin for the pre-authorized payment plan.
2. **For Option 1:** New applicants must submit authorization at least five business days prior to the next prepayment date. The agreement holder's pre-authorized payment will be withdrawn on or after the first working day of each month for the months August to June inclusive each year and on or after the first working day of July each year. No advance notice will be given prior to every monthly withdrawal being processed. Advance notice of the July withdrawal will be provided on the property tax notice.
For Option 2: New applicants must submit authorization at least 10 business days prior to the due date. The agreement holder's pre-authorized payment will be withdrawn on the tax due date. Advance notice of the July withdrawal will be provided on the property tax notice if submitted before the first business day in May of the year the application is received.
3. The home owner grant application is still the responsibility of the property owner. The application on the annual tax notice must be completed each year and returned to the Finance Department at the District of West Vancouver by the tax due date in July. If the home owner grant is not received by the tax due date, the grant amount will be added to the July withdrawal.
4. If any adjustments to the pre-authorized payment amount are considered necessary, the changes will be shown on the annual tax notice.
5. The prepayments earn interest at Royal Bank's prime rate, in effect on the last day of the previous month, minus three per cent.
6. For any changes or cancellations to the plan, please advise the Finance Department, in writing, 10 business days before the end of the month. The minimum monthly allowable payment is \$10.
7. If the agreement holder's financial institution has not honoured a pre-authorized payment, an administration fee will be applied to the installment account.
8. If two pre-authorized payments are dishonoured by the agreement holder's financial institution, the plan will be cancelled by the Finance Department. The District may not provide notice of non-payment or cancellation. The plan can be reinstated upon written notification from the agreement holder.
9. If a credit balance exists, it will be applied to the property owner's tax account, with interest, as stated in Bylaw #3747 or refunded on request. A service charge will be applied against all refunds, except those initiated by The Corporation of the District of West Vancouver or those refunds due to a transfer of title on sale of a property.
10. This plan does not include the quarterly utility billing.
11. **Freedom of Information and Protection of Privacy Act Notice:** Information collected on this form, or provided with this form, is collected and protected in accordance with the Freedom of Information and Privacy Act, and will be used for the purposes of Financial Services program administration.
